\* = This program is new. Therefore, the number of students who graduate, the number of students who are placed, or the starting salary you can earn after finishing the educational program are unknown at this time. Information regarding general salary and placement statistics may be available from government sources or from the institution, but is not equivalent to actual performance data. This program was approved by the Bureau on MM/DD/YYYY. As of MM/DD/YYYY, two full years of data for this program will be available.

### **Definitions**

- "Number of Students Who Began the Program" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- "Students Available for Graduation" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- "Number of On-time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- "On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.
- "150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment.
- "Graduates Unavailable for Employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- "Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.

---

- "First Available Exam Date" is the date for the first available exam after a student completed a program.
- "Passage Rate" is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- "Number Who Passed First Available Exam" is the number of graduates who took and passed the first available licensing exam after completing the program.
- "Salary" is as reported by graduate or graduate's employer.
- "No Salary Information Reported" is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

### **STUDENT'S RIGHT TO CANCEL**

You have the right to cancel this enrollment agreement for and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later for educational service, any equipment or other goods and services. If the student has received Financial Aid funds, the student is entitled to a refund of money not paid from federal student financial aid program funds. Business day means a day on which you were scheduled to attend a class. Cancellation occurs when you give written notice of cancellation at School address shown on the front page of this Catalog or as noted on the Enrollment Agreement. You can do this by mail, in person, by FAX or telegram. The notice of cancellation, if mailed, is effective when deposited in the mail, properly addressed with postage prepaid. This notice need not take any particular form; it needs only to state you wish to cancel the agreement. You will be given two notices of cancellation forms on the first day of class. If you cancel your enrollment, the School will refund any money that you paid within 30 days after your notice is received. [CA Ed Code §94911(e); §94919(b)]

A student officially dropping a course through the Registrar will receive prorated tuition and course fee refunds. If a student officially drops prior to the first class day of the course, AIS will refund full tuition. Students who officially drop after the first session but before completing 60% of the course will receive a prorated refund of the unused portion of tuition and other refundable charges. No refund will be made if a student drops after completing 60% of the course.

Program termination must be done correctly to prevent adverse financial and academic consequences. Students choosing to withdraw completely from AIS (quit the school) must notify the Admission's Office by completing a Complete Withdrawal form. The Registrar will process the form and note the withdrawal in the student's record as of a specific date. The withdrawing student must settle his or her financial account at the time of withdrawal. The termination procedure has added importance for international students. International students who do not properly terminate their program of study will be out of status and required to leave the US immediately. Please see the Admission Office for details.

You have the right to withdraw from School at any time. If you withdraw from the course of instruction after the cancellation period as in Par 1, AIS will remit a refund less a registration fee, not to exceed the lesser amount of 5% of costs or \$75.00 within 30 days following your withdrawal. You are obligated to pay only for educational services rendered and unreturned equipment. The refund shall be the amount you paid for instruction multiplied by fraction. The numerator of which is the number of hours of instruction, which you have not received, but for which you have paid, the denominator of which is the total number of hours of instruction for which you have paid. If you obtain books, uniform(s) and/or equipment, as specifically noted in this catalog and/or on your Enrollment Agreement, and return it in good condition within 30 days following the date of your withdrawal, the school shall refund the amount paid by you for equipment.

\* = This program is new. Therefore, the number of students who graduate, the number of students who are placed, or the starting salary you can earn after finishing the educational program are unknown at this time. Information regarding general salary and placement statistics may be available from government sources or from the institution, but is not equivalent to actual performance data. This program was approved by the Bureau on MM/DD/YYYY. As of MM/DD/YYYY, two full years of data for this program will be available.

### **Definitions**

- "Number of Students Who Began the Program" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- "Students Available for Graduation" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- "Number of On-time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- "On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.
- "150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment.
- "Graduates Unavailable for Employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- "Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.

### **STUDENT'S RIGHT TO CANCEL**

You have the right to cancel this enrollment agreement for and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later for educational service, any equipment or other goods and services. If the student has received Financial Aid funds, the student is entitled to a refund of money not paid from federal student financial aid program funds. Business day means a day on which you were scheduled to attend a class. Cancellation occurs when you give written notice of cancellation at School address shown on the front page of this Catalog or as noted on the Enrollment Agreement. You can do this by mail, in person, by FAX or telegram. The notice of cancellation, if mailed, is effective when deposited in the mail, properly addressed with postage prepaid. This notice need not take any particular form; it needs only to state you wish to cancel the agreement. You will be given two notices of cancellation forms on the first day of class. If you cancel your enrollment, the School will refund any money that you paid within 30 days after your notice is received. [CA Ed Code §94911(e); §94919(b)]

A student officially dropping a course through the Registrar will receive prorated tuition and course fee refunds. If a student officially drops prior to the first class day of the course, AIS will refund full tuition. Students who officially drop after the first session but before completing 60% of the course will receive a prorated refund of the unused portion of tuition and other refundable charges. No refund will be made if a student drops after completing 60% of the course.

Program termination must be done correctly to prevent adverse financial and academic consequences. Students choosing to withdraw completely from AIS (quit the school) must notify the Admission's Office by completing a Complete Withdrawal form. The Registrar will process the form and note the withdrawal in the student's record as of a specific date. The withdrawing student must settle his or her financial account at the time of withdrawal. The termination procedure has added importance for international students. International students who do not properly terminate their program of study will be out of status and required to leave the US immediately. Please see the Admission Office for details.

You have the right to withdraw from School at any time. If you withdraw from the course of instruction after the cancellation period as in Par 1, AIS will remit a refund less a registration fee, not to exceed the lesser amount of 5% of costs or \$75.00 within 30 days following your withdrawal. You are obligated to pay only for educational services rendered and unreturned equipment. The refund shall be the amount you paid for instruction multiplied by fraction. The numerator of which is the number of hours of instruction, which you have not received, but for which you have paid, the denominator of which is the total number of hours of instruction for which you have paid. If you obtain books, uniform(s) and/or equipment, as specifically noted in this catalog and/or on your Enrollment Agreement, and return it in good condition within 30 days following the date of your withdrawal, the school shall refund the amount paid by you for equipment.

\* = This program is new. Therefore, the number of students who graduate, the number of students who are placed, or the starting salary you can earn after finishing the educational program are unknown at this time. Information regarding general salary and placement statistics may be available from government sources or from the institution, but is not equivalent to actual performance data. This program was approved by the Bureau on MM/DD/YYYY. As of MM/DD/YYYY, two full years of data for this program will be available.

### **Definitions**

- "Number of Students Who Began the Program" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- "Students Available for Graduation" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- "Number of On-time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- "On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.
- "150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment.
- "Graduates Unavailable for Employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- "Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.

### **STUDENT'S RIGHT TO CANCEL**

You have the right to cancel this enrollment agreement for and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later for educational service, any equipment or other goods and services. If the student has received Financial Aid funds, the student is entitled to a refund of money not paid from federal student financial aid program funds. Business day means a day on which you were scheduled to attend a class. Cancellation occurs when you give written notice of cancellation at School address shown on the front page of this Catalog or as noted on the Enrollment Agreement. You can do this by mail, in person, by FAX or telegram. The notice of cancellation, if mailed, is effective when deposited in the mail, properly addressed with postage prepaid. This notice need not take any particular form; it needs only to state you wish to cancel the agreement. You will be given two notices of cancellation forms on the first day of class. If you cancel your enrollment, the School will refund any money that you paid within 30 days after your notice is received. [CA Ed Code §94911(e); §94919(b)]

A student officially dropping a course through the Registrar will receive prorated tuition and course fee refunds. If a student officially drops prior to the first class day of the course, AIS will refund full tuition. Students who officially drop after the first session but before completing 60% of the course will receive a prorated refund of the unused portion of tuition and other refundable charges. No refund will be made if a student drops after completing 60% of the course.

Program termination must be done correctly to prevent adverse financial and academic consequences. Students choosing to withdraw completely from AIS (quit the school) must notify the Admission's Office by completing a Complete Withdrawal form. The Registrar will process the form and note the withdrawal in the student's record as of a specific date. The withdrawing student must settle his or her financial account at the time of withdrawal. The termination procedure has added importance for international students. International students who do not properly terminate their program of study will be out of status and required to leave the US immediately. Please see the Admission Office for details.

You have the right to withdraw from School at any time. If you withdraw from the course of instruction after the cancellation period as in Par 1, AIS will remit a refund less a registration fee, not to exceed the lesser amount of 5% of costs or \$75.00 within 30 days following your withdrawal. You are obligated to pay only for educational services rendered and unreturned equipment. The refund shall be the amount you paid for instruction multiplied by fraction. The numerator of which is the number of hours of instruction, which you have not received, but for which you have paid, the denominator of which is the total number of hours of instruction for which you have paid. If you obtain books, uniform(s) and/or equipment, as specifically noted in this catalog and/or on your Enrollment Agreement, and return it in good condition within 30 days following the date of your withdrawal, the school shall refund the amount paid by you for equipment.

- "Graduates Unavailable for Employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- "Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.

### **STUDENT'S RIGHT TO CANCEL**

You have the right to cancel this enrollment agreement for and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later for educational service, any equipment or other goods and services. If the student has received Financial Aid funds, the student is entitled to a refund of money not paid from federal student financial aid program funds. Business day means a day on which you were scheduled to attend a class. Cancellation occurs when you give written notice of cancellation at School address shown on the front page of this Catalog or as noted on the Enrollment Agreement. You can do this by mail, in person, by FAX or telegram. The notice of cancellation, if mailed, is effective when deposited in the mail, properly addressed with postage prepaid. This notice need not take any particular form; it needs only to state you wish to cancel the agreement. You will be given two notices of cancellation forms on the first day of class. If you cancel your enrollment, the School will refund any money that you paid within 30 days after your notice is received. [CA Ed Code §94911(e); §94919(b)]

A student officially dropping a course through the Registrar will receive prorated tuition and course fee refunds. If a student officially drops prior to the first class day of the course, AIS will refund full tuition. Students who officially drop after the first session but before completing 60% of the course will receive a prorated refund of the unused portion of tuition and other refundable charges. No refund will be made if a student drops after completing 60% of the course.

Program termination must be done correctly to prevent adverse financial and academic consequences. Students choosing to withdraw completely from AIS (quit the school) must notify the Admission's Office by completing a Complete Withdrawal form. The Registrar will process the form and note the withdrawal in the student's record as of a specific date. The withdrawing student must settle his or her financial account at the time of withdrawal. The termination procedure has added importance for international students. International students who do not properly terminate their program of study will be out of status and required to leave the US immediately. Please see the Admission Office for details.

You have the right to withdraw from School at any time. If you withdraw from the course of instruction after the cancellation period as in Par 1, AIS will remit a refund less a registration fee, not to exceed the lesser amount of 5% of costs or \$75.00 within 30 days following your withdrawal. You are obligated to pay only for educational services rendered and unreturned equipment. The refund shall be the amount you paid for instruction multiplied by fraction. The numerator of which is the number of hours of instruction, which you have not received, but for which you have paid, the denominator of which is the total number of hours of instruction for which you have paid. If you obtain books, uniform(s) and/or equipment, as specifically noted in this catalog and/or on your Enrollment Agreement, and return it in good condition within 30 days following the date of your withdrawal, the school shall refund the amount paid by you for equipment.

This notice need not take any particular form; it needs only to state you wish to cancel the agreement. You will be given two notices of cancellation forms on the first day of class. If you cancel your enrollment, the School will refund any money that you paid within 30 days after your notice is received. [CA Ed Code §94911(e); §94919(b)]

A student officially dropping a course through the Registrar will receive prorated tuition and course fee refunds. If a student officially drops prior to the first class day of the course, AIS will refund full tuition. Students who officially drop after the first session but before completing 60% of the course will receive a prorated refund of the unused portion of tuition and other refundable charges. No refund will be made if a student drops after completing 60% of the course.

Program termination must be done correctly to prevent adverse financial and academic consequences. Students choosing to withdraw completely from AIS (quit the school) must notify the Admission's Office by completing a Complete Withdrawal form. The Registrar will process the form and note the withdrawal in the student's record as of a specific date. The withdrawing student must settle his or her financial account at the time of withdrawal. The termination procedure has added importance for international students. International students who do not properly terminate their program of study will be out of status and required to leave the US immediately. Please see the Admission Office for details.

You have the right to withdraw from School at any time. If you withdraw from the course of instruction after the cancellation period as in Par 1, AIS will remit a refund less a registration fee, not to exceed the lesser amount of 5% of costs or \$75.00 within 30 days following your withdrawal. You are obligated to pay only for educational services rendered and unreturned equipment. The refund shall be the amount you paid for instruction multiplied by fraction. The numerator of which is the number of hours of instruction, which you have not received, but for which you have paid, the denominator of which is the total number of hours of instruction for which you have paid. If you obtain books, uniform(s) and/or equipment, as specifically noted in this catalog and/or on your Enrollment Agreement, and return it in good condition within 30 days following the date of your withdrawal, the school shall refund the amount paid by you for equipment.

\* = This program is new. Therefore, the number of students who graduate, the number of students who are placed, or the starting salary you can earn after finishing the educational program are unknown at this time. Information regarding general salary and placement statistics may be available from government sources or from the institution, but is not equivalent to actual performance data. This program was approved by the Bureau on MM/DD/YYYY. As of MM/DD/YYYY, two full years of data for this program will be available.

### **Definitions**

- "Number of Students Who Began the Program" means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- "Students Available for Graduation" is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- "Number of On-time Graduates" is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- "On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.
- "150% Graduates" is the number of students who completed the program within 150% of the program length (includes on-time graduates).
- "150% Completion Rate" is the number of students who completed the program in the reported calendar year within 150% of the published program length, including on-time graduates, divided by the number of students available for graduation.
- "Graduates Available for Employment" means the number of graduates minus the number of graduates unavailable for employment.
- "Graduates Unavailable for Employment" means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- "Graduates Employed in the Field" means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- "Placement Rate Employed in the Field" is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- "Number of Graduates Taking Exam" is the number of graduates who took the first available exam in the reported calendar year.

### **STUDENT'S RIGHT TO CANCEL**

You have the right to cancel this enrollment agreement for and obtain a refund of charges paid through attendance at the first class session, or the seventh day after enrollment, whichever is later for educational service, any equipment or other goods and services. If the student has received Financial Aid funds, the student is entitled to a refund of money not paid from federal student financial aid program funds. Business day means a day on which you were scheduled to attend a class. Cancellation occurs when you give written notice of cancellation at School address shown on the front page of this Catalog or as noted on the Enrollment Agreement. You can do this by mail, in person, by FAX or telegram. The notice of cancellation, if mailed, is effective when deposited in the mail, properly addressed with postage prepaid. This notice need not take any particular form; it needs only to state you wish to cancel the agreement. You will be given two notices of cancellation forms on the first day of class. If you cancel your enrollment, the School will refund any money that you paid within 30 days after your notice is received. [CA Ed Code §94911(e); §94919(b)]

A student officially dropping a course through the Registrar will receive prorated tuition and course fee refunds. If a student officially drops prior to the first class day of the course, AIS will refund full tuition. Students who officially drop after the first session but before completing 60% of the course will receive a prorated refund of the unused portion of tuition and other refundable charges. No refund will be made if a student drops after completing 60% of the course.

Program termination must be done correctly to prevent adverse financial and academic consequences. Students choosing to withdraw completely from AIS (quit the school) must notify the Admission's Office by completing a Complete Withdrawal form. The Registrar will process the form and note the withdrawal in the student's record as of a specific date. The withdrawing student must settle his or her financial account at the time of withdrawal. The termination procedure has added importance for international students. International students who do not properly terminate their program of study will be out of status and required to leave the US immediately. Please see the Admission Office for details.

You have the right to withdraw from School at any time. If you withdraw from the course of instruction after the cancellation period as in Par 1, AIS will remit a refund less a registration fee, not to exceed the lesser amount of 5% of costs or \$75.00 within 30 days following your withdrawal. You are obligated to pay only for educational services rendered and unreturned equipment. The refund shall be the amount you paid for instruction multiplied by fraction.
